

Click the PDF icon

Then a pop up will come up, click open in adobe reader.

Click Proceed without updating Adobe Reader and then click ok.

Click Run this Time

Then the Application should pop up for you to use. Complete the form and then at the bottom you can submit or print. If you submit wait for the pop up box to let you know it has been submitted. You'll then need to send in your supporting documentation . . . paystubs and/or school schedule.
