Illinois is committed to assisting child care providers in providing quality education and care for young children (birth through 12 years). One way to do that is with the Quality Improvement (QI) Funds. The QI Funds have been developed and are offered through the child care resource and referral agencies to assist and support programs that are choosing to work towards / maintain an ExceleRate™ IL Circle of Quality. There are three areas to the QI Funds: ExceleRate™ IL cohort, ExceleRate™ IL training stipend and accreditation assistance. Please read the overview and the guidelines to determine which area(s) best meets your needs. Requests may be made in multiple areas.

The QI Funds are based on available funding. The QI Funds program is administered by the Child Care Resource Service. Funds are provided by the Illinois Department of Human Services.

Specifics on each component are noted in this Quality Improvement Funds Grant Pack.

- If a program goes out of business within two years of the grant award, funds received under the *cohort component* will need to be repaid at a pro-rated amount. In some cases *CCRS* may be able to recoup materials and equipment purchased with grant funds.
- In the event of over or improper payment or reimbursement, appropriate arrangements will need to be made with *CCRS* regarding return of funds.
- In the event that payment is made for an accreditation process and the program withdraws or does not complete the process, the child care program will need to work with *CCRS* regarding the return of funds.
