- On-site assessments of infant, toddler and two’s programs
- Assistance in room arrangement to meet the best needs of children in care
- Activity and ideas to enhance curriculum and daily schedule planning
- Workshops to meet the needs of the child care provider

**Infant Toddler 2’s Needs Assessment Questionnaire**

I would love to come to your Home or Center and assist you in any way that I can with your care of infants, toddlers and 2’s. Please take a moment and answer the following questions to help me design trainings, consultations, and or observations to better meet your needs. I value your input. Please be as specific as possible in answering all of the questions.

Please number in order of preference. These suggestions are my ideas but I welcome other topics that will improve quality of care at your facility.

I would most prefer you give me/my staff assistance with:

- Activity Areas
- Biting
- Circle time for Babies
- Developmental Milestones
- Dramatic Play area
- Gross Motor
- Music
- Object Permanence
- Parent Communication
- Transitions

- Art for Infants, Toddlers and 2’s
- Block Play
- Crying
- diapering
- Room Arrangement
- Hand washing
- Nature and Science
- Potty Training
- Water table

- Book area
- Curriculum
- Discipline
- Language
- Routines
- Sand Table
- Separation
- Other

I prefer training at the following times:
At my home/center during open hours ___________ At my home/center after hours ___________

(your name)  (name of center if applicable)
